

Rescue HQ

THE TYCOON

Build up your headquarters from scratch and create your emergency station masterpiece!

In Rescue HQ you organize and manage a station for the three emergency departments: fire brigade, police, and ambulance.

With limited resources you have to make life-saving decisions from expanding your HQ to hiring new people for your crew and providing them with the vehicles and equipment they need. Your citizens' safety is in your hands – can you keep calm and master the challenge?

Features:

- Fire brigade, police and ambulance departments all under one roof
- Unexpected and diverse emergency missions as well as security and safety for large events
- EU & US dedicated vehicles for the setting of Berlin and San Francisco
- Staff management & training of the crew
- Specific vehicles, rooms, staff members and equipment for all departments
- Day/night cycles with shifts and corresponding missions
- Extensive modding possibilities including all assets, maps and emergencies
- Steam achievements & workshop integration
