

# TS·2014

TRAIN SIMULATOR

## Your Journey Starts Here

TS2014 delivers everything you love about trains with the exhilaration of speed, stunning graphics, a variety of trains, real-world routes and challenging assignments. Whether you love driving trains, creating new routes or just watching the landscape fly by, your journey starts with TS2014.

### DRIVE

Embark on a fun and rewarding career as a train driver with our all-new player career system.

### EXPLORE

Drive a wide variety of trains on iconic routes around the world: includes Hamburg-Hanover (DE), London-Faversham High Speed (UK) and Donner Pass (US) and 10 fully-detailed trains to drive.

### CREATE

Easily build and share fantastic routes and assignments using the built-in tools, and download hundreds more created by other players.

### COLLECT

Build your dream collection with a host of additional routes and trains available to download.

### MARKETING HIGHLIGHTS

Global PR: launch messaging targeted across key territories underpinned by hands-on play experiences at consumer events.

Benefits-led advertising: print and digital campaigns with bespoke creative targeted at huge simulation and rail fan audiences.

Engine-Driver.com: all-new community hub aimed at new players and core users with tutorials, reviews and user-written articles, supported by highly-active Facebook and Youtube channels.
